WAMPUM

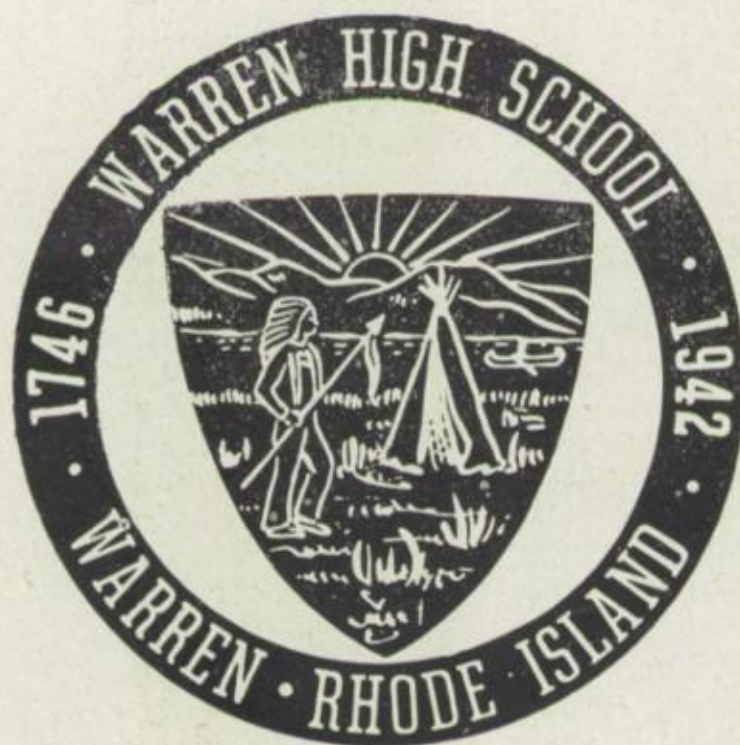

The 1942

Published By The Senior Class Of

WAMPUM

Warren High School

FORWARD

In publishing this issue of the WAMPUM we as seniors of Warren High School perform one last task remaining to us as students.

In former years we might go light-heartedly from high school, some to continue on to college, some to business or specialized schools; some into the business world. But these are different times; they are trying times.

It falls to our lot to be graduated in a year when our country is at war, involved in the greatest struggle in its history, and so, when the doors of Warren High School close upon us finally and we are no longer students, we face at once a serious task—that of knowing what we must do, what we can do, to help in this war effort, and to think ahead to the task that will be partly ours, in the equally difficult days that will follow this war. For we can know that we, as individuals, will be affected by all that happens about us.

If one thing be true it is that we, earlier perhaps than many another to be graduated, can know the narrowness of this world, its compactness, and its indrawn boundaries; to sense that we, in common with all the peoples of the earth, have one common fate. We therefore feel conscious of a greater responsibility, that of being individual human units, each responsible to the other, and to know that our words and our deeds are important, too.

We have known carefree and easy years at Warren High School, and have many memories to cherish. But with graduation we enter a more mature period, calling for broader knowledge, greater responsibility, a deeper sense of obligation to self, to our community, to our nation, and to the world. It is good that before this task has become ours, we could know first the pleasures of youth. We feel grateful to Warren High School for the many contented days we have known within its portals. But now we are ready for whatever work lies ahead.

ATHLETIC FRESHMEN

CLASS OF "43"

1939—High School! We begin the first of perhaps the four happiest years of our lives. As we are only Freshmen, we do little else besides elect the following class officers: President, Wilfred Lomas; Vice-President, Loretta McKale; Secretary, Frank Kirklewski; Treasurer, Antonio Morra. Mr. Harkins is our class adviser.

1940—Our second year! With Miss Kelly as our class adviser, we plan our one social event, the Hallowe'en party which was a great success. This year Samuel Correia is elected President; Elsie Bristow, Vice-President; Loretta McKale, Secretary; and Antonio Morra, Treasurer.

1941—Juniors! Now our activities really begin with a Junior dance, a play on Junior Class Day, a "Vic" dance, and most important, our Junior Prom. We now look forward to our final year at Warren High School and hope it will be equal to our first three years.

President—Alexander Lombardo; Vice-President, Elsie Bristow; Secretary, Loretta McKale; Treasurer, John Barry. Our class adviser, Mr. Cauppucilli.

HISTORY OF THE CLASS OF "44"

We entered Warren High School in the fall of 1940. At first perhaps a little shy and awkward but later falling right into the "swing of things." We held our first meeting and elected the following officers: President—Warren Taylor; Vice-President—Michael Primiano; Secretary—Lawrence Urban; Treasurer—Albert Zeitler. Being Freshmen we were not allowed to partake in any social events.

When we returned the following year we felt both proud and happy to start out in our new position as Sophomores. We held a class meeting and elected the following to represent our class: President—Lawrence Urban; Vice-President—Ida Abbruzzi; Secretary—Eleanor Smus; Treasurer—Michael Annunziata. We had one social event and this was found in the "Sophomore Hop." It went off splendidly and everyone had a grand time. Thus ended our first two years.

H. R. T.

CLASS OF "45"

On September 3, 1941 a group more eager to embark on their studies than the rest, arrived at school, the Freshmen.

One class meeting was held in February to elect class officers. A \$5 advertisement was contributed toward the Senior Class Year Book.

Class officers were: President—Joseph Silva Jr.; Vice-President—John Henneberry; Treasurer—Anne Malone; Secretary—Peggy M. Merolla; Class Adviser—Mr. Frank N. Lombardi.

They discovered here a different system than in their elementary grades, that of cooperation between the student body and the faculty.

Here, they learned to confide in their teachers who were willing to help them in all difficulties, teachers who took an interest in them individually. Here also they learned a lesson from a losing basketball team which kept fighting although they were continually being defeated.

Here, they have gained confidence in themselves and have developed a grand sense of loyalty to their school which shall in their future years, make them better citizens.

MARION MEDEIROS

CHEER LEADERS

FOOTBALL

When the gates of the football season were thrown open this year, it found one of Warren High's largest squads ready for anything. The team was not a heavy one and for this one reason we did not get a championship. The team was not lacking in spirit and every team that came in contact with our squad found this out to their dismay.

With this spirit growing all the time I know that we'll be on top next year.

Capt. John Abbruzzi our ablest player made the first team on the class C squad, with other players making third or receiving honorable mention.

The season this year found us with a new basketball coach the very able Coach Brochu. With only two veterans, he started out to work. From a winning stand point of view, our club did not even show, but as spirit goes we were on top.

Thrillers of the season were when we beat Barrington 30-22 and lost to Colt by one point which closed our season.

SENIOR CLASS HISTORY

President EDGAR ST. JOHN
Vice President MARSHALL MARTIN
Secretary MURIEL SEYMOUR
Treasurer JOSEPH TAVARES
Class Adviser MR. JOHN J. CONWAY, JR.

We first entered Warren High School in the autumn of nineteen hundred and thirty-eight with an eagerness to launch ourselves on a four year journey. Due to the hurricane our class meeting scheduled to elect class officers was forgotten and no further attempt was made for class organization.

In the fall of 1939 we returned with renewed vigor to our studies and at our first class meeting we choose Mr. Cappuccilli as class adviser.

Class officers for that year were:

President WILLIAM RODRIGUES
Vice President EDGAR ST. JOHN
Secretary LOIS STAPLES
Treasurer MARSHALL MARTIN

Because of lack of interest the proposed plans for a Hallowe'en hayride never bore fruit.

The following year found us full of enthusiasm and renewed hope for the complete unity our first years lacked. Under the guiding hand of Mr. Conway we achieved just this. The capable body of class officers and cooperation of the class made our Junior Year far more active than we dared hope. We held a profitable dance, a successful military whist and a play on class day.

Then came the big event of our Junior Year: The Prom; Warren High's Audito-

we needed just the salty sea scene to complete the nautical theme.

Class Officers were:

President JOSEPH TAVARES
Vice President EDGAR ST. JOHN
Secretary MURIEL SEYMOUR
Treasurer MARSHALL MARTIN
Class Adviser MR. JOHN J. CONWAY, JR.

The autumn of 1941 found us re-entering Warren High School for the last time and realizing that in the next year we would no longer be a part of the happy throng waiting for the bell to ring.

Buckling down to make the most of our Senior Year we chose a most capable Tomahawk staff and started its publication.

This our never-to-be-forgotten class year we made as fruitful as possible. First we held the Christmas Hop with a merry crowd attending, then we started our plans for the annual Easter Monday dance, held April 6, one of our greatest successes.

When Honor Society Awards were made in April a goodly part of our class was elected, the reward of three and a half years of diligent studying.

Now our school days are coming to an end and it is with some regret that we have looked back over our stay here, but there remains two great events to crown our four glorious years: Our graduation and our Senior Reception after which we will no longer be participating but shall look on with the rest of the alumni from the sidelines.

HUMOR

M. MARTIN: "How long did you cook this spaghetti?"

E. ST. JOHN: "Oh, about twelve inches."

G. BARBER: "There goes a fellow whose business is looking up."

H. McLARREN: "Must be good. What is it?"

G. BARBER: "He's an astronomer."

B. BLACKHALL: "Going to see your doctor, eh? You must be sick."

R. ENNIS: "I'll say. I'm going to pay my bill."

L. ALDERSON: "I want to see some mirrors."

N. ABRAHAM: "Hand mirrors?"

L. ALDERSON: "Naw, I want one I can see my face in."

"Waiter," said the fussy diner, "I want some oysters. But they mustn't be too large or too small, too old or too tough, and they mustn't be salty. I want them cold and I want them at once."

"Yes, sir," bowed the waiter, "with or without pearls?"

It was a wise freshman, and when forced to apply at the Wilshire police station for lodging, he gave his name as Smith.

"Give us your real name," ordered the sergeant.

"Well," said the frosh, "put me down as William Shakespeare."

"That's better," said Sarge, "you can't bluff me with that Smith stuff."

"Everybody is crazy over me," said the inmate of the first floor of the insane asylum.

W. MARCHAND: "It's raining cats and dogs outside."

R. LAPAN: "Ya, I know, I just stepped into a poodle."

FROSH: "May I have an R. O. T. C. uniform?"

SERGEANT: "How do you want it—too large or too small?"

J. TAVARES: "Do you feel like turning back the clock?"

R. DICKERSON: "Sure, every time the monthly payment comes due."

"When I looked out of the window, Johnny, I was glad to see you playing marbles with Billy."

"We wasn't playing marbles, Ma. We just had a fight and I was helping him pick up his teeth."

N. SAMSON: "My poor aunt had only two dates in all her life."

W. RODRIGUES: "My, only two?"

N. SAMSON: "Yes, the one on her birth certificate and one on her tombstone."

M. SEYMOUR: "Were you surprised when you got the nomination?"

N. JOLLY: "I'll say. My acceptance speech nearly fell out of my hand."

M. MEDEIROS: "No wonder Jimmy's always smiling."

M. CONKLIN: "Why, what got into him?"

M. MEDEIROS: "A new set of teeth."

L. CONKLIN: "Do you know how to throw a screwball?"

C. JOHNSON: "Certainly. You wanta wrestle?"

C. MACDOWELL: "I'm writing a book about something that's close to my heart."

E. CHILD: "Oh heavens, who wants to read about ice?"

The congressman's wife sat up in bed, a startled look on her face. "Jim," she whispered, "there's a robber in the house." "Impossible," was her husband's sleepily reply.

"In the Senate, yes, but in the House never."

R. CONTOIS: "Gee, but I'm homesick tonight."

E. JACKSON: "Say, I thought this was your home."

R. CONTOIS: "It is, but I'm sick of it."

K. MADDOX: "I'm looking for a silent woman who can cook."

M. DOHERTY: "How much will you pay?"

K. MADDOX: "Pay nothing!! I'll marry her."

F. MARSZALEK: "Say, how long did you work on your last job?"

J. SWEET: "Three months."

F. MARSZALEK: "Only three months? What did you do?"

J. SWEET: "Ninety days."

E. JAWORSKI: "They tell me you've been breaking training by eating too much."

J. ABBRUZZI: "Aw, boss, I've just been practicing a new wind-up."

E. JAWORSKI: "What do you mean?"

J. ABBRUZZI: "I've been eating spaghetti."
